

Shed a Tear

Kodaline

its harder see through the eyes of a stranger
its easy to love when the world doesn't hate you
when you try to sing out but nobody hears a word
its safer to swim when the tide's not against you
(hey)(you've been here before) i know you've been here before
(never letting go) giving up is letting go
(never fight alone) you don't have to fight alone
i'll shed a tear for you, open your eyes, i'm by your side.
i'm never leaving you, darkness a light, straight through the night.
i'm walking in your shoes, so you know that it's the truth.
when nobody's here for you, we make it clear,
that i'll shed a i'll shed a tear (shed a tear)
i feel your pain when i know you're in trouble.
and i'll take the blame for your hurt and your struggle.
and when you try to speak out but nobody hears a word
i'll be your voice, lay your head on my shoulder
(oh)(you've been here before) i know you've been here before
(never letting go) nothing is impossible
(never fight alone) you don't have to fight alone
i'll shed a tear for you, open your eyes, i'm by your side.
i'm never leaving you, darkness a light, stayed through the night.
i'm walking in your shoes, so you know that it's the truth.
when nobody's here for you, we make it clear,
that i'll shed a i'll shed a tear (shed a tear)
(ohh)
when you're living in your darkest hours (ohh)
when you're getting closer to the edge
i'll shed a tear for you, open your eyes, i'm by your side.
i'm never leaving you, darkness a light, stayed through the night.
i'm walking in your shoes, so you know that it's the truth.
when nobody's here for you, we make it clear,
that i'll shed a i'll shed a tear (shed a tear)
i'll shed a, i'll shed a tear...
