

Escape (feat. Marc Antoine)

Jim Brickman

You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love
Here's how it goes, you and me up and down
But maybe this time we'll get it right, worth a fight
'Cause love is something you can't shake
When it breaks all it takes is some tryin'
If you feel like leaving
I'm not gonna beg you to stay
'Cause soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love
So, if you go you should know
It's hard to just forget the past so fast
It was good, it was bad but it was real
And that's all you have in the end our love matters
If you feel like leaving
I'm not gonna beg you to stay
'Cause soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love
Here's how it goes
All it takes is some tryin'
(Baby you can run)
If you feel like leavin'
I'm not gonna beg you to stay
'Cause soon you'll be finding
You can run, you can hide
But you can't escape my love
If you feel like leavin'
Then I'm not gonna beg you to stay
'Cause soon you'll be finding
You can run, you can hide
But you can't escape my love
You can run, you can run
You can run, you can run (You can run)
Baby, you can run, baby you can hide
(You can run)
But you can't escape my love
(You can run)

Baby, you can run, baby you can hide
(You can run)
But you can't escape my love You can run, you can hide
But you can't escape my love
You can run, you can hide
But you can't escape my love
