

25th Hour

Reks

I'mma write this here rhyme like guru's in the passenger
Standin' on the East Coast staring out to Africa
accolades escalate faith my vernacular remain intact with the generation is coming after the
average rapper you praise
days numbered like a calendar, challengers caliber mediocre
enter the catheter, I.V's wrap em up, mad as fuck need a ladder up escalator, elevator,
skyscraper, hella haters.
We are in the 25th hour is now or never
We got to get . forever remember
Time waits for no man what's your plan?
(repeats)
Before I made the black face the mirror
Face the fact get it back
We're the love for the ...
