

Workin' On It (feat. Lennon Stella & Sasha Sloan)

[Meghan Trainor](#)

Never been asked to dance
'Cause I never been the pretty one
Never like compliments 'Cause it's always been so hard believin' them You say I'm beautiful
And I say you're full of it
Nothing personal
I'm still not used to this But I'm workin' on, workin' on it
Workin' on, workin' on it
I've been workin' on, workin' on it
Workin' on, workin' on Tryna be good to me
I should give myself way more love
I'm my worst enemy
I'm the voice who says, "I'm not good enough"
You say I'm beautiful
And I say you're full of it
Nothing personal
I'm still not used to this But I'm workin' on, workin' on it
Workin' on, workin' on it
I've been workin' on, workin' on it
Workin' on, workin' on it Tryna see what you see
When you look at me
I've been workin' on, workin' on it
Workin' on, workin' on it Yeah, I'm trying, I'm trying, I'm trying
To see what you see
Yeah, I'm trying, I'm trying, I'm trying
For you and for me
Trying and trying and trying
To see what you see
Yeah, I'm trying, I'm trying, I'm trying
For you and for me, yeah But I'm workin' on, workin' on it
Workin' on, workin' on it
I've been workin' on, workin' on it
(Oh, I been) Workin' on, workin' on it
'Tryna see what you see
When you look at me
I've been workin' on, workin' on it
Workin' on, workin' on But I'm workin' on, workin' on it
Workin' on, workin' on
