

French Kisses (feat. Aitch)

ZieZie

Qui porte le chemin
Pas nous French kisses, come let me give you what you're missin'
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them French kisses
What we do's none of your friends' business
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them
Bonjour, mademoiselle, comment tu t'appelles
Elle s'appelle Isabella
Vous êtes vraiment belle, hold up, who's your friend?
She lookin' for a friend now
I'm sure you've got a man, now she callin' up her man
And she kick it with the gang
Lil' hottie from my ends, go on, jump into the Benz
And don't forget your friends, oh
I got bad intentions, I can't lie
But I can tell you want it just by lookin' in your eyes
French kisses
Come, let me give you what you're missin'
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them French kisses
What we do's none of your friends' business
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them French kisses
(Aye-aye-aye-aye, aye, aye)
French kisses
(Aye-aye-aye-aye, aye, aye) Yeah
So, so sexy, oh, mama
Where you tryna go, girl? C'est où que tu pars?
She just told me, "Show me what you do, papa"
I'ma make you say, "Ooh-la-la, ooh-la-la" (Ayy)
Step inside, put your friends on the guest list
Nice with her tongue, pull her hair when we French kiss
Slide off her thong, make her moan and she meant it
She fucked with the kid way before I was trendin' (Uh-huh)
She classy, but secretly kinda freaky
Yeah, this one a good girl, she ain't on me for clout
Gettin' nasty in the taxi, we ain't even made it home

Don't even have to say a word, just put my tongue in her mouth
French kisses
Come, let me give you what you're missin'
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them French kisses
What we do's none of your friends' business
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them French kisses
(Aye-aye-aye-aye, aye, aye)
French kisses
(Aye-aye-aye-aye, aye, aye) Your lips, your thighs
Your hips don't lie
It's in your eyes
I can tell that you want it
'Cause your lips, your thighs
Your hips don't lie
It's in your eyes
I'ma make you say, "Ooh-la-la" When I give you them French kisses
Come, let me give you what you're missin'
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
When I give you them French kisses
What we do's none of your friends' business
Know you want some of these French kisses (Mwah)
I'ma make you say, "Ooh-la-la"
