

# The Void

Andy Black

This ship has passed  
We burn down the past  
Like ghosts drift to ash  
Your photograph  
Is all that lasts  
There's no turning back  
Now I'm all alone  
The future unknown  
Got no where to go  
But I'll survive  
The loneliest nights  
Won't give up the fight  
Through the void  
Through the void  
Through the endless void  
I march on and on and on and on without you  
Hear the voice  
Hear the voice  
Of the hearts destroyed  
I march on and on and on and on without you  
And I'll keep singing our song  
till tomorrow  
The emptiness  
It kills like a kiss  
The violent abyss  
Fair well again  
we've come to an end  
I'll miss you my friend  
(Carry on, carry on)  
Through the void  
Through the void  
Through the endless void  
I march on and on and on and on without you  
Hear the voice  
Hear the voice  
Of the hearts destroyed  
I march on and on and on and on without you  
And I'll keep singing our song  
Till tomorrow  
How can I carry on, carry on without you? (Oh)  
(Carry on, carry on)  
We fail  
We fall  
Just keep walking through it all  
Gotta give another day  
You're here  
You're gone  
But I have to move along  
Until the darkness starts to fade  
We fail  
We fall  
Just keep walking through it all  
Gotta face another day  
Won't give up the fight  
Through the void  
Through the void  
Through the endless void  
I march on and on and on and on without you  
Hear the voice  
Hear the voice  
Of the hearts destroyed

I march on and on and on and on without you  
And I'll keep singing our song  
Till tomorrow How can I carry on, carry on without you?  
How can I carry on, carry on without you?  
How can I carry on, carry on without you?  
How can I carry on, carry on without you?
