

# Pledge of Allegiance

## Louis XIV

Ah little Stacy Q  
When she doesn't have a thing to do  
She comes to my house  
Well, let's keep that between me and you  
She takes off her clothes  
She likes to tell this boy what to do  
Let's keep that between me and you, ok  
She said, "Oh come on boy, aren't you tired of talking about sex"  
I said, "Little girl what do you really expect?"  
And then she pledges her allegiance  
To the united states of me  
She says, "You're such a little bitch"  
She says, "Head case, head case  
Turn that thing around  
Let's play a game when you hear me make a sound  
Just go quite a bit faster  
Pretend that I'm gagged and bound"  
Oh how I love to hear that sound  
Milkshake, milkshake, I love to feel you sweat  
We don't have to go to the pool  
If you want me to make you wet  
Can you keep a secret  
Because the best little secrets are kept  
And you're my best little secret yet Well, kit-kat-kit-kat, kitten you're the kicks  
She said, "Let me feel your love  
I mean come on make it stick  
I'm the best of your little baby chicks  
Oh you're my sweet tooth sugar fix"  
Tick-tock-tick-tock, oh baby forget the clock  
You don't have to do a thing  
and you know I like your baby talk  
Just make sure to close the shades and turn the lock Aw, milkshake, milkshake, I love to feel  
you sweat  
We don't have to go to the pool  
If you want me to make you wet  
But can you keep a secret  
Because the best little secrets are kept Ah little Stacy Q
