

# Go Crazy (feat. Adrian Sina)

Mia Martina

Come on now  
I feel you  
It's in you  
Don't worry just show me you want it  
Now easy just tease me  
Go, go crazy, go crazy, go crazy  
My baby  
Don't worry just show me you want it  
Now go for it  
I'm ready  
Got me crazy, so crazy, so crazy, so crazy, so crazy I been waiting so long  
I love you, I love you  
I been waiting so long  
Come on now  
I feel you  
It's in you  
Don't worry just show me you want it  
Now easy just tease me  
Go, go crazy, go crazy, go crazy  
My baby  
Don't worry just show me you want it  
Now go for it  
I'm ready  
Got me crazy, so crazy, so crazy, so crazy, so crazy I been waiting so long  
I love you, I love you My baby  
I love you, love you, waited so long  
I love you, love you, waited so long  
I been waiting so long  
I love you, I love you  
I been waiting so long My baby
