

A Man Is Still a Man

Morgan Heritage

A Man Is Still A Man Chorus

A man is still a man whether him wear jacket and tie, or walk barefoot.

The only difference is whether him good or evil.

A man is still a man whether him rich or poor black or white for sure.

The only difference is whether him good or evil. Verse 1

Listen Friends. Lots of different people on the streets wiping car glass windows.

This is what they do day to day just to get a little food to eat. Then you have others wearing suit and tie, work a good nine to five.

And they take it for granted that they're living a better life. I say the color of our skin don't mean a thing if we do good or commit to sin.

We're all judged by the same, and Jah is his holy name. So let's all be aware of how we entertain angels unaware.

For angels do move through men, whether here or from there.

Chorus

A man is still a man whether him wear jacket and tie, or walk barefoot.

The only difference is whether him good or evil.

A man is still a man whether him rich or poor black or white for sure.

The only difference is whether him good or evil. Bridge Everyman has freedom, ya.

For the wealth of a man.

Be sure when living life.

We treat all men right.

For we are all of the same.

Hear the words I cry. Chorus

A man is still a man whether him wear jacket and tie, or walk barefoot.

The only difference is whether him good or evil.

A man is still a man whether him rich or poor black or white for sure.

The only difference is whether him good or evil.

Hear these words again. Lots of different people on the streets wiping car glass windows.

This is what they do day to day just to get a little food to eat. Then you have others wearing suit and tie, work a good nine to five.

And they take it for granted that they're living a better life. Chorus

A man is still a man whether him wear jacket and tie, or walk barefoot.

The only difference is whether him good or evil.

A man is still a man whether him rich or poor black or white for sure.

The only difference is whether him good or evil. A man is still a man (x3)

Only difference is whether him good or evil. A man is still a man (x3)

Only difference is whether him good or evil.
