

Laughing

David Crosby

I thought I met a man who said he knew a man
Who knew what was going on
I was mistaken, only another stranger that I knew And I thought that I'd found the light
To guide me through my nights and all my darkness
I was mistaken, it was only reflections of a shadow that I saw And I thought I've seen someone
who seemed at last
To know the truth
I was mistaken, only a child laughing in the sun Ahhhhhhhhhhhh in the sun
