

O Holy Night

Jackie Evancho

O holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error pining
Till He appeared and the soul felt it's worth
A thrill of hope, the weary world rejoices
For yonder breaks a new and glorious morn'
Fall on your knees, O hear the Angels voices
O night divine, O the night when Christ was born
O night divine, O night, O night divine
Truly He taught us to love one another
His law is love and His Gospel is peace
Chains He shall break for the slave is our brother
And in His Name all oppression shall cease
Sweet hymns of joy in grateful chorus raise we
With all our hearts we praise His holy name
Christ is the Lord, then ever, ever praise we
His power and glory forever more proclaim
His power and glory ever more proclaim
Fall on your knees, O hear the angel voices
O night divine, O the night when Christ was born
O night divine, O night, O night divine
