I Should Know

[Dirty Vegas](#)

I'll show you things that you never seen
And I know places you've never been
To where the grass isn't green
Cause I, yeah, I should know
I should know
I should knowI'll show you things that you never seen
And I know places you've never been
To where the grass isn't green
Cause I, yeah, I should knowPlaying away from home is fun
This food is cooked but it isn't done
Boy the best is to come
Cos I, yeah, I should know
It's always me that gets the blame
Second single sounds the same
Loneliness is a pain
Cause I, yeah, I should knowI should know
I should know
The pain it grows
Yeah, I should knowI should know
I should know
I should know
I should knowI should know
I should know
The pain it grows
Yeah, I should know
Two steps forward and one step back
The wheels are coming off the track
Still there's time to get back
Cause I, yeah, I should knowI should know
I should know
The pain it grows
Yeah, I should knowI should know
I should know
I should knowWaking up in someone's attic
Find it's all on automatic
Look out boy it's problematic
Cause I, yeah, I should knowWaking up in someone's attic
Find it's all on automatic
Look out boy it's problematic
Cause I, yeah, I should knowI should know
I should know
I should know

I should know
