

# River

## Ibeyi

Come to your river  
I will come to your river  
I will come to your river  
Come to your river  
(Wash my soul)  
I will come to your river  
(Wash my soul)  
I will come to your river  
Wash my soul again Carry away my dead leaves  
Let me baptize my soul with the help of your waters  
Sink my pains and complains  
Let the river take them, river drown them  
My ego and my blame  
Let me baptize my soul with the help of your waters  
Those all means are so ashamed  
Let the river take them, river drown them  
Come to your river  
I will come to your river  
I will come to your river  
Come to your river  
(Wash my soul)  
I will come to your river  
(Wash my soul)  
I will come to your river  
Wash my soul again Carry away my old leaves  
Let me baptize my soul with the help of your waters  
Sink my pains and complains  
Let the river take them, river drown them  
My ego and my blame  
Let me baptize my soul with the help of your waters  
Those all means so ashamed  
Let the river take them, river drown them  
Come to your river  
I will come to your river  
I will come to your river  
Come to your river  
(Wash my soul)  
I will come to your river  
(Wash my soul)  
I will come to your river  
Wash my soul again (speaking in Yoruba language)
