You Should Get to Know Me (feat. Quinn XCII)

Jeremy Zucker

I took a picture with you tonight You look like somebody out of a fashion magazine I know you think that I'm not polite You should get to know me Swear I'm not as bad as I seem Ohh, ohh, oh I'm not as bad as I seem Ohh, ohh, oh I'm not as bad as I seemYou should get to know me Same old dude you could treat me like your homie Call if you're sad or holler if you're lonely With those eyes alone baby you could be my only Let's take a chance just call when you come through Easily I'd be the man you could run to Sleep with an eye open right by my side and You'll see I ain't got much to hide I took a picture with you tonight You look like somebody out of a fashion magazine I know you think that I'm not polite You should get to know me Swear I'm not as bad as I seem Ohh, ohh, oh I'm not as bad as I seem Ohh, ohh, oh I'm not as bad as I seemI'm not some alpha male that you see On movies and TV, no that's just not me Look at me closer, you judge from afar Bang on my body see I do no harm I'm not some 80's jerk on the screen Varsity jacket who hangs with the team Thought we left high school, no cliques anymore Act like a lady, leave tricks at the door, at the door I took a picture with you tonight You look like somebody out of a fashion magazine

I know you think that I'm not polite

You should get to know me Swear I'm not as bad as I seem

Ohh, ohh, oh I'm not as bad as I seem

Ohh, ohh, oh I'm not as bad as I seemHow do you know, where I'm going

You show me where I won't fall Do you know where I'm going You show me where I won't fall

Ohh
