

God Is Good

Regina Belle

I know
That God
My God
God Is good
Oh, God
My God
God Is good
You know
He brought me
Out of darkness
God Is Good
You know
That He
Saved my soul
God Is Good
Said that He
Saved my soul
God Is good
I said
That He
Saved my soul
And then
He brought me
Out of darkness
God Is good
You know
That He guides
My every foot step
God Is good
I said He guides
My every foot step
God Is good
You know
That he guides
My every foot step
Then He
Saved my soul
And then
He brought me
Out of darkness
God Is good And then He
Put food on my table

God Is good
Said He
Put food on my table
God Is Good
Said He
Put food on my table
Then he put
Shoes on my feet
So He could guide
My every foot step
Jesus saved my soul
And then He
Brought me
Out of darkness
God Is goodAnd then
He made a way
God Is good
Said he made a way
God Is good
I said
That He made a way
Then He put
Food on my table
Then he put
Shoes on my feet
So he could guide
My every foot step
Jesus saved my soul
And then He
Brought me
Out of darkness
God Is GoodYou know
That he healed
My every sickness
God is Good
Said that
He healed
My every sickness
God Is Good
I said that
He healed
My every sickness
With no money
In my pocket
Jesus made a way
Out of no way
And then
He brought me
Out of darkness

God Is good
God Is good
