

God Is Good

Regina Belle

I know
That God
My God
God Is good
Oh, God
My God
God Is good
You know
He brought me
Out of darkness
God Is Good
You know
That He
Saved my soul
God Is Good
Said that He
Saved my soul
God Is good
I said
That He
Saved my soul
And then
He brought me
Out of darkness
God Is good
You know
That He guides
My every foot step
God Is good
I said He guides
My every foot step
God Is good
You know
That he guides
My every foot step
Then He
Saved my soul
And then
He brought me
Out of darkness
God Is good And then He
Put food on my table

God Is good
Said He
Put food on my table

God Is Good
Said He

Put food on my table
Then he put

Shoes on my feet
So He could guide
My every foot step
Jesus saved my soul

And then He
Brought me

Out of darkness
God Is goodAnd then
He made a way

God Is good
Said he made a way
God Is good

I said

That He made a way
Then He put

Food on my table
Then he put

Shoes on my feet
So he could guide
My every foot step
Jesus saved my soul

And then He
Brought me

Out of darkness
God Is GoodYou know

That he healed
My every sickness

God is Good
Said that

He healed
My every sickness

God Is Good
I said that

He healed
My every sickness

With no money
In my pocket

Jesus made a way
Out of no way

And then
He brought me

Out of darkness

God Is good
God Is good
