

I Love You Because

Jim Reeves

I love you because you understand, dear
Every single thing I try to do
You're always there to lend a helping hand, dear
I love you most of all because you're you. No matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me
But most of all I love you 'cause you're you.--- Instrumental ---I love you because my heart is
lighter
Every time I'm walking by your side
I love you because the future's brighter
The door to happiness, you open wide.
No matter what the world may say about me
I know your love will always see me through
I love you for a hundred thousand reasons
But most of all I love you 'cause you're you...
