I'd Cry Like a Baby

Dean Martin

I'd cry like a baby if you told me goodbye I'd feel like a snowball on the 4th of July If you ever said you were leaving for good I'd weep like a weeping willow, honest I would I'd cry like a baby with a busted balloon I'd let out a wail that would be heard on the moon Our love was so splendid don't end it so soon Don't leave me here sighing, sobbing and a-sighing Crying like a baby for you I'd cry like a baby if you told me goodbye I'd feel like a snowball on the 4th of July If you ever said you were leaving for good I'd weep like a weeping willow, honest I would I'd cry like a baby with a busted balloon I'd let out a wail that would be heard on the moon Our love was so splendid don't end it so soon Don't leave me here sighing, sobbing and a-sighing Crying like a baby for you Song Discussions is protected by U.S. Patent 9401941.
