

Kids With Guns

Gorillaz

Kids with guns
Kids with guns
Taking over
They won't belong
They're mesmerized
Skeletons
Kids with guns
Kids with guns
Easy does it, easy does it, they've got something to say "no" to
Drinking out (Push it, push it real)
Pacifier (Push it, push it real)
Demon souls (Push it, push it real)
Street desire (Push it, push it real)
Doesn't make sense to (Push it, push it real)
But it won't be long (Push it, push it real)
Kids with guns
Kids with guns
Easy does it, easy does it, they've got something to say "no" to
And they're turning us into monsters
Turning us into fire arms
Turning us into monsters
It's all desire
It's all desireIt's all desireDrinking out
Pacifier
sinking souls
There you are
Doesn't make side to
But it won't be long
Cause kids with gunsKids with guns
Easy does it, easy does it, they've got something to say "no" toAnd they're turning us into
monsters
Turning us into fire arms
Turning us into monsters
It's all desire
It's all desire
It's all desire
Push it real, push it,(its real) is this real? (push it, push it real)
Push it real, push it,(its real) is she real? (push it, push it real)
Push it real, push it, is this real? (push it, push it real)
Push it real, Push it real
