

# LA Calling

## Crystal Fighters

Love this place, but I gotta keep moving  
You got the best thing right now, it's no illusion  
It's time for fun, love's only when young  
The time has come for new romance And we'll be singing this song when you're out  
Everything will be better when you come out of it  
Come out of it  
Yeah everyone wants you out here I want in, right all night LA calling  
Bathe in sunlight  
Coldest sky she's hot as lust is  
I don't want them, I want you  
I want you  
Thought was all gonna end  
I didn't want it to end  
Cause I was feeling on top  
I was feeling on top of the world  
Thinking about you girl And we'll be singing this song when you're out  
Everything will be better when you come out of it  
Come out of it  
Yeah everyone wants you out here I want in, right all night LA calling  
Bathe in sunlight  
Coldest sky she's hot as lust is  
I don't want them, I want you  
I want you  
I want in, right all night LA calling  
Bathe in sunlight  
Coldest sky, she's hot as lust is  
I know where my heart is  
I want you  
I want you  
I want you Thought was all gonna end  
I didn't want it to end  
Cause we're feeling on top  
Cause we're feeling on to? of the game  
From now on it's never gonna be the same Everywhere, everyone gather round the world,  
Give thanks throughout the world  
Everywhere, everyone gather round the world,  
Give thanks throughout the world I want in, right all night LA calling  
Bathe in sunlight  
Coldest sky, she's hot as lust is  
I don't want them, I want in, right all night LA calling  
Bathe in sunlight  
Coldest sky she's hot as lust is

I know where my heart is  
I want you  
I want you
