

# Roger

## Sparks

I'm picking up where I once left off in the  
search for a justified balance between the  
wealth that I have now and the wealth  
that they all want to haveLet's ask Roger if he knows what I meanRoger, Roger, let's take your  
SueHow does she do it Roger, how does she do it, Roger?Roger, Roger, has Sue got the  
balance right  
for you, Roger, I ask you Roger, has she  
got the balance right for you?  
Has she got it, has she got it?  
Roger, Roger, Roger, Roger
