

# Strawberries & Cigarettes

Troye Sivan

Remember when we first met?  
You said: "Light my cigarette"  
So I lied to my mom and dad  
And jumped the fence and I ran  
But we couldn't go very far  
'Cause you locked your keys in your car  
So you sat and stared at my lips  
And I could already feel your kiss  
Long nights, daydreams  
Sugar and smoke rings, I've been a fool  
But strawberries and cigarettes always taste like you  
Headlights, on me  
Racing to 60, I've been a fool  
But strawberries and cigarettes always taste like  
Blue eyes, black jeans  
Lighters and candy, I've been a fool  
But strawberries and cigarettes always taste like you  
Remember when you taught me fate  
Said it all be worth the wait  
Like that night in the back of the cab  
When your fingers walked in mine  
Next day, nothing on my phone  
But I can still smell you on my clothes  
Always hoping things would change  
But we went right back to your game  
Long nights, daydreams  
Sugar and smoke rings, I've been a fool  
But strawberries and cigarettes always taste like you  
Headlights, on me  
Racing to 60, I've been a fool  
But strawberries and cigarettes always taste like  
Blue eyes, black jeans  
Lighters and candy, I've been a fool  
But strawberries and cigarettes always taste like you  
And even if I run away  
And give our heart a harder day  
Still strawberries and cigarettes always taste like you  
You always leave me wanting more  
I can't shake my hunger for  
Strawberries and cigarettes always taste like you  
Yeah, they always taste like you  
You  
Long nights, daydreams  
With that sugar and smoke rings

Always taste like you  
Headlights, on me  
Racing to 60, I've been a fool  
But strawberries and cigarettes always taste like  
Blue eyes, black jeans  
Lighters and candy, I've been a fool  
But strawberries and cigarettes always taste like you
