

Easy

Seinabo Sey

Shoulder to shoulder
I know it could be easy, yeah
Now keep your head up, talk to me,
I know it could be easy, yeah.
What would the world be if we let it be just fine,
what would a smile be if not a tear sometime. Sister, sister,
I know it could be easy, yeah.
Now keep your head up, talk to me,
I know it could be easy, yeah.
What would the world be if we let it be just fine,
what would a smile be if not a tear sometime. I'd rather fail on turf
and call it a lesson learned.
I'd rather fail on my turf
than follow you and you burn.
I'd rather fail on turf
and call it a lesson learned.
I'd rather fail on my turf
than follow you and you burn. Shoulder to shoulder
I know it could be easy, yeah
Now keep your head up, talk to me,
I know it could be easy, yeah.
What would the world be if we let it be just fine,
what would a smile be if not a tear sometime. Mother, mother,
I know it could be easy, yeah.
Now keep your head up, talk to me,
I know it could be easy, yeah.
What would the world be if we let it be just fine,
what would a smile be if not a tear sometime.
I'd rather fail on turf
and call it a lesson learned.
I'd rather fail on my turf
than follow you and you burn. I'd rather fail on turf
and call it a lesson learned.
I'd rather fail on my turf
than follow you and you burn. I'd rather fail on turf
and call it a lesson learned.
I'd rather fail on my turf
than follow you and you burn.
