

New Money

DDG

Yeah Woah woah woah
Okay Listen
Bigger appraisal on my AP
All these broke niggas hate me
Money long so lengthy
VVS on my pinky
Gucci fanny fuck a pocket
Plugged in like a socket
Career shooting like a rocket
They refresh till I drop it (ooh)
Niggas be Talking but ain't bout that action
Bet when they see me ain't nothing gon happen
Six bitches hop in the Bimmer no cappin
Four seater coupe so I had em all lap'ing
Used to be broke used to sleep on the floor
I just dropped forty racks at the store
Google my net worth then times it by four
That's disrespectful they know I got more
Niggas be Talking but ain't bout that action
Bet when they see me ain't nothing gon happen
Six bitches hop in the Bimmer no cappin
Four seater coupe so I had em all lap'ing
Used to be broke used to sleep on the floor
I just dropped forty racks at the store
Google my net worth then times it by four
That's disrespectful they know I got more
New wave new money
Young niggas getting paid
I just turned 20
Already got millions aye
Smoking gelato big checks and the paper
I'm used to Henny I don't need no chaser
Your diamonds foo foo and cloudy like vaper
That girl a eater she fucked off my taper
Hating ass niggas is furious now
I bet they taking me serious now
Who is this nigga they curious now
All of my millions mysterious now
They don't wanna see me win
They don't wanna see me blow
They don't wanna hear the flow
But ion give a fuck no mo' ayy
Old relationships lessons learned so i right all my wrongs

But fuck that I'm dissing all of my exes in all of my songs
Bridges burn after fucking with me
You fall off after fucking with me
You get left after fucking with me
You better off never fucking with me
Niggas be Talking but ain't bout that action
Bet when they see me ain't nothing gon happen
Six bitches hop in the Bimmer no cappin
Four seater coupe so I had em all lap'ing
Used to be broke used to sleep on the floor
I just dropped forty racks at the store
Google my net worth then times it by four
That's disrespectful they know I got more
Niggas be Talking but ain't bout that action
Bet when they see me ain't nothing gon happen
Six bitches hop in the Bimmer no cappin
Four seater coupe so I had em all lap'ing
Used to be broke used to sleep on the floor
I just dropped forty racks at the store
Google my net worth then times it by four
That's disrespectful they know I got more
