

# If I Didn't Love You

## Squeeze

If I didn't love you, I'd hate you  
Watching you play in the bath  
A soap sud stickleback navy  
A scrubbing brush landing craft  
Your skin gets softer and warmer  
I pat you down with a towel  
Tonight, it's love by the fire  
My mind goes out on the prow  
If I, if I, if I, if I, if I, if I, if I  
If I didn't love you, I'd hate you  
I'm paying your stereogram  
Singles remind me of kisses  
Albums remind me of plans  
Tonight it's love by the fire  
The wind plays over the coals  
Passionate looks are my fancy  
But you turn the look into stone  
If I, if I, if I, if I, if I, if I, if I  
If I didn't love you, would you sit and glow  
By the fire, if I didn't love you  
Would you make me feel so  
[Incomprehensible] love me  
Oh, if I didn't love you  
Hmm, if I, if I, if I, if I, if I, if I, if I, if I  
If I didn't love you, I'd hate you  
Cocoa mugs sit side by side  
It's time to poke at the fire  
But it's not tonight looks I find  
Taking a bite on a biscuit  
The record jumps on a scratch  
Tonight, it's love by the fire  
The door of your love's on the latch  
If I, if I, if I, if I, if I, if I, if I, if I  
If I didn't love you, would you sit and glow  
By the fire, if I didn't love you  
Would you make me feel so  
[Incomprehensible] love me, oh  
If I didn't love you  
If I didn't love you, would you sit and glow  
By the fire if I didn't love you  
Would you make me feel so  
[Incomprehensible] love me, oh  
If I didn't love you  
Mmm, If I, if I, if I, didn't, didn't, didn't  
Love you, love you, love you
