

We Are Victorious (feat. Tye Tribbett)

Donnie McClurkin

We are victorious
We are victorious
Nothing can conquer us
We are victoriousWe are victorious
We are victorious
Nothing can conquer us
We are victoriousWe are victoriousWe are victorious
We are victorious
We are victoriousStanding in the middle of the battlefield
Nothing but victory on my mind
Never gonna stop, never gonna yield
More than a conqueror everytime
EverytimeWe are victorious
We are victorious
Nothing can conquer us
We are victoriousWe are victorious
We are victorious
We are victoriousIt really took a lot to get this far
This failure could never stop our cause
Rivers always carry men in these parts
We look for the win an everytimeEverytimeWe are victorious
We are victorious
Nothing can conquer us
We are victorious
We are victorious
We are victorious
We are victoriousNothing is stopping me
No limits are blocking me
This is my destiny
Everyone say
Everyone sayNothing is stopping me
No limits are blocking me
This is my destiny
There's only One greater than meI am victorious
And You are victorious
And We are victorious
We are, We areVictorius
Victorious
Victorious
We are, We areOh oh oh
Oh oh oh
Oh we are

VictoriousYeah we are
Victorious
Yes we are
VictoriousOh we are
Yes we are
Victorious
