

# Buzz Back Girl

[Jerrod Niemann](#)

Feels like I've been drinking since early in the morning  
I ain't had a drop, but something's got me going  
Hit me like a truck, naw, didn't see it coming  
I hope it don't stop, 'cause man, it's got me stumbling Lookin' like that, lookin' like that  
You don't even know what you're doing to me  
You got my buzz back, girl, my buzz back, girl  
Woke up hungover, hungover this morning  
I called, you came over  
You got my buzz back, girl, my buzz back, girl  
Baby, don't you stop it, girl, just keep on rocking  
You know you got me dropping, like I just took a shot and Looking like that, looking like that  
You don't even know what you're doing to me  
You got my buzz back, girl, my buzz back, girl  
Woke up hungover, hungover this morning  
I called, you came over  
You got my buzz back, girl, my buzz back, girl Ever since the night I wrapped my arms around  
you  
I can't live a day without you  
All I think about is how I can't wait to lay you down  
Lookin' like that, lookin' like that  
You don't even know what you're doing to me, girl  
Lookin' like that, lookin' like that  
You don't even know what you're doing to me  
Lookin' like that, lookin' like that  
You don't even know what you're doing to me  
You got my buzz back, girl, my buzz back, girl  
Woke up hungover, hungover this morning  
I called, you came over  
You got my buzz back, girl, my buzz back, girl  
You got my buzz back, girl  
Feels like I've been drinking since early in the morning
