

God's Monkey

David Sylvian & Robert Fripp

One push
You fall in
Born in darkness
Born in darkness
Built on shame
And hurting
Filled with science
Filled with science
And stars, stars, stars
Find the ladder
Climb the ladder
To God's monkey
No songs to sing
That I believe in
That I believe in
Can't breathe the air
It's too thin
This far from heaven
This far from heaven
And stars, stars ...Find the ladder
Climb the ladder
To God's monkey
