## **God's Monkey**

## **David Sylvian & Robert Fripp**

One push

You fall in

Born in darkness

Born in darkness

Built on shame

And hurting

Filled with science

Filled with science

And stars, stars, stars

Find the ladder

Climb the ladder

To God's monkey

No songs to sing

That I believe in

That I believe in

Can't breathe the air

It's too thin

This far from heaven

This far from heaven

And stars, stars ... Find the ladder

Climb the ladder

To God's monkey
