

Perfect

One Direction

I might never be your knight in shining armour
I might never be the one you take home to mother
And I might never be the one who brings you flowers
But I can be the one, be the one tonight
When I first saw you
From across the room
I could tell that you were curious,
Oh, yeah
Girl, I hope you're sure
What you're looking for
'Cause I'm not good at making promises
But if you like causing trouble up in hotel rooms
And if you like having secret little rendezvous
If you like to do the things you know that we shouldn't do
Then baby, I'm perfect
Baby, I'm perfect for you
And if you like midnight driving with the windows down
And if you like going places we can't even pronounce
If you like to do whatever you've been dreaming about
Then baby, you're perfect
Baby, you're perfect
So let's start right now
I might never be the hands you put your heart in
Or the arms that hold you any time you want them
But that don't mean that we can't live here in the moment
'Cause I can be the one you love from time to time
When I first saw you
From across the room
I could tell that you were curious,
Oh, yeah
Girl, I hope you're sure
What you're looking for
'Cause I'm not good at making promises
But if you like causing trouble up in hotel rooms
And if you like having secret little rendezvous
If you like to do the things you know that we shouldn't do
Then baby, I'm perfect
Baby, I'm perfect for you
And if you like midnight driving with the windows down
And if you like going places we can't even pronounce
If you like to do whatever you've been dreaming about
Then baby, you're perfect
Baby, you're perfect
So let's start right now
And if you like cameras flashing every time we go out,
Oh, yeah

And if you're looking for someone to write your break-up songs about

Baby, I'm perfect

Baby, we're perfect If you like causing trouble up in hotel rooms

And if you like having secret little rendezvous

If you like to do the things you know that we shouldn't do

Then baby, I'm perfect

Baby, I'm perfect for you

And if you like midnight driving with the windows down

And if you like going places we can't even pronounce

If you like to do whatever you've been dreaming about

Then baby, you're perfect

Baby, you're perfect

So let's start right now
