

# I Hope You Find It

Cher

I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I didn't mean all the shit I say  
But it's better than what's going on in my head  
How dare you bring another chick in my bed  
You lucky I'm doing my yogo or you might be dead  
I ain't doing nothing that would take away my zen  
If you are not enchanting then you park it up and then  
Life's a bunch of texts and we're doin' our best  
Searching for something outside ourselves to  
bring us happiness, yes  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
You and I dont know  
What goes on for us  
If we lead the stars  
We don't know what's the life for us  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you  
I forgive you  
I ain't 'bout that shit, so I forgive you  
Too late to switch, so I forgive you  
It ain't 'bout that bitch, so I forgive you  
But I forget you
