

# Candy

## Cameo

It's like candy  
I can feel it when you walk  
Even when you talk it takes over me  
You're so dandy  
I wanna know  
Can you feel it too just like I do(hoo!)This stuff is starting now  
It's the same feeling  
I always seem to get around you  
There's no mistaking; I'm clearly taken  
By the simple mere thought of you(oh!)This stuff is starting now  
This stuff is starting now  
This stuff is starting now  
(hoo!)My eyes roll in my head  
I toss and turn in my bed  
In the morning when I think about you(yes I do)Simply put, you're the reason why  
Even though I'm real shy(real shy)I attempt to look my best for you(indeed I do, just for  
you)Cause you affect me, fascinate me  
I thank heaven for the things that you do  
It's like candy  
You sure are sweet - Sweet!  
You're so dandy  
You're taking my appetite - but it's all rightIt's like candy  
(ooh, vanilla! chocolate!)You look real nice, wrapped up tight  
You're so dandy  
You're giving me a heart attack  
It's the kind I likeIt's like candy, you're so dandy...  
You're like a brand new feeling  
In a special way  
A surprise package  
On a bright clear sunny day  
And wrapped up tight  
(so good - so good)  
Strawberry! raspberry!  
All those good thangs!  
Violets and gumdrops  
That's what you're saying to me  
(ow!)  
(sweet candy - candy)  
It's like candy  
Sure seems like good candy to me  
You're so dandy  
Just keep doing what you do
