

I Got No Time

CG5

I got no time.
I got no time to live.
I got no time to live, and I can't say goodbye.
And I'm regretting having memories,
Of my friends, who they used to be,
Beside me before they left me die. And I know this is.
I know this is the truth.
'Cause I've been staring at my death so many times.
These scary monsters roaming in the halls,
I wish I could just block the doors,
And stay in bed until the clock will chime.
So my flashlight's on,
And stay up 'til dawn,
I got this headache, and my life's on the line.
I felt like I won,
But I wasn't done.
The Nightmare repeats itself every time!
Gotta keep my calm,
And carry on,
Stay awake until the sun will shine.
But I'm not so strong,
And they're not gone.
They're still out there to take what's left of mine. I have this urge.
I have this urge to kill!
I have this urge to kill to show that I'm alive!
I'm getting sick from these apologies,
From people with priorities,
That they're life matters so much more than mine.
But I'm stuttering.
I'm stuttering again!
No one will listen and no one will understand!
Because I'm crying as much as I speak,
'Cause no one likes me when I shriek .
Want to go back to where it all began! So my flashlight's on,
And stay up 'til dawn,
I got this headache, and my life's on the line.
I felt like I won,
But I wasn't done.
The Nightmare repeats itself every time!
Gotta keep my calm,
And carry on,
Stay awake until the sun will shine.

But I'm not so strong,
And they're not gone.
They're still out there to take what's left of mine! I got no time!
I got no time to live,
I got no time to live, and I can't say goodbye! No time!
I got no time to live!
I got no time to live, and I can't say goodbye! I got no time!
Five Nights at Freddy's!
Is this where you want to be?
