

A Design for Life

Manic Street Preachers

Libraries gave us power
Then work came and made us free
What price now for a shallow piece of dignity I wish I had a bottle
Right here in my dirty face to wear the scars
To show from where I came We don't talk about love we only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for life I wish I had a bottle
Right here in my pretty face to wear the scars
To show from where I came We don't talk about love we only want to get drunk
And we are not allowed to spend
As we are told that this is the end A design for life
A design for life
A design for life
A design for life We don't talk about love we only want to get drunk
And we are not allowed to spend
As we are told that this is the end
A design for life
A design for life
A design for life
A design for...
