Cheap Wine & Cheaper Women

Airbourne

Walking through the city
It's lonely heartbreak streets
The wind gives a chill as the sun begins to weep
Don't know where I'm goin'
And I don't know where I've been

But the nights coming down and I'm feeling good againCheap wine

And cheaper women

Give me cheap wine

And cheaper womenHad myself a lady

To hold me tight and warm

To keep out the cold and make love 'til the dawn

Yeah, she loved me tender

And she loved me sweet

But then she kicked me out and now I'm on the street

Cheap wine

And cheaper women

Give me cheap wine

And cheaper womenWomen come and go

They never do remain

They take more than they give

But it's me who's to blame

I'm at the bottom of the bottle

And nothin's all I got

Yeah, it may not be the answer but it sure does hit the spotCheap wine

And cheaper women

Give me cheap wine

And cheaper women

Cheap wine

And cheaper women

Give me cheap wine

And cheaper women
