

# Crazy (feat. Young Thug)

## Gucci Mane & Peewee Longway

Hallelujah, my plug just send me 50, I got first right a refusal  
My bitches my main shooter, I might make my bitch go do you  
Dont bring your bitch around my chick, my bitch might jimmy choo her  
Its gwap, I aint hip hop, but I bet my diamonds bluer  
Got 3 spots, I got 2 drops and I aint no nigga cooler  
Got 3 rings, I got 10 chains and I think Im ricky ruler  
I Got Young niggas in my straight 8, cause thats how I maneuver, Gucci!  
Make trap back, I had a flash back, when I shot at that intruder  
In a section, full of bad bitches, and they wanna smoke hooters  
Way I beat the block, way I work the track  
Make you think Im a producer  
Inside your head, medusa, youre dumb head, you need a tutor I might not buy a new Mercedes,  
but Ima drive your ass crazy  
Thats something she just done phase me  
The way she suck it, so amazing  
Im bout to drive a bitch crazy,  
Thats something she just done phase me  
Im bout to make a bitch pay me, pay me  
You taking care of nigga baby  
Im bout to drive a bitch crazy  
Wave flag, no black car, flat back car, of 2 bars with 3 broads  
40 grands on my g stars, pinkslips dont lease ours  
Who the fuck you think we are, retard!  
Kief start this bricksquad, that candy touch your body part  
Trapped up like toll cars, goons have it real like the druglords  
Got young shooters and dope guards  
My annals are dope boys, like a drugzar in a cold war  
Pistol whip a nigga with a crowbar  
Security guards they trelling you, so we pulling up and shooting both cars  
Bag a nigga like a bag boy, paint a nigga like Mozart  
Say he lived his life as a KING PIN, thats why they find his ass in the junkyard  
Murder shit I know boy, I aint really scared of no boy  
Couple of home boys and lil joy, and they all waiting to come home boy  
Got bricks all in my fender, bricks all in my floorboard  
And you know a nigga paid a low for it but respect me, I cant go for it  
All my hoes will fly for it, all my niggas will die for it  
I can tell a killer when I see one, you can say Gucci got an eye for it.  
I might not buy a new Mercedes, but Ima drive your ass crazy  
Thats something she just done phase me  
The way she suck it, so amazing  
Im bout to drive a bitch crazy,  
Thats something she just done phase me

Im bout to make a bitch pay me, pay me  
You taking care of nigga baby  
Im bout to drive a bitch crazy
