

# Hot & Wet Remix (feat. Ludacris & Chingy)

112

I wanna show you how I feel, don't hold back, here's my love  
Baby, you're the one for me  
I wanna know, how can we get down tonight?  
No more game, let's spend some time  
Baby, won't you give it to me? Just give it to me, baby You don't know what you do to me the  
way you touch, baby  
Girl, I'm tired of playin' games, are you ready?  
I love it when you're on top of it, so spread it  
Won't you just give it to me? Girl, we can do it Hot & wet  
Girl you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Hot & wet  
Girl you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you Baby, now it's gettin' late, don't stop now, I can't wait  
To show you belong to me  
Know how I like it, take your time, close your eyes  
Let me show you what real love should be  
Girl, you don't know, baby You don't know what you do to me the way you touch, baby  
Girl, I'm tired of playin' games, are you ready?  
I love it when you're on top of it, so spread it  
Won't you just give it to me? Girl, we can do it Hot & wet  
Girl you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you  
Hot & wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you Now baby, you don't work if you work it tweak it, twork it  
I feel like your every imperfection is perfect  
Luda, yea, what you heard is true  
I'll make you do things you ain't even know you can do Got 'em weak in the knees 'cuz my back  
is strong  
And you wonder why your girls wanna tag along  
'Cuz them birds are jealous my words are embellish  
Plus they heard I kiss every curve and crevice I'm too hot to handle, I rock your mantle  
When I play 112 and light 16 candles  
Deep sea fishin' in your favorite position  
Every time you moan I pay close attention Flip 'em like a pancake show me somethin'  
Or we can bring in your vibratin' tongue ring  
Let's mountain climb 'til we reach the peak

The technique will make you sweat  
But don't sweat the techniqueHot & wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to youHot & wet  
Girl, you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to youI'm gonna keep you hot & wet  
Girl, I'm gonna make you sweat  
Can get more close to me  
And I love it when you're all over meI'm gonna just [Incomprehensible]  
Touch it, love it, freak it all night  
I'm givin' it all to you  
[Incomprehensible] gotta keep itHot & wet  
Girl you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to youHot & wet  
Girl you make me wanna sweat  
When you touch me like that  
Girl, you know I wanna give it to you
