

# Otsegolation

## Static-X

If we gain by severance  
We gain most of all  
Annihilate your kindness  
Twisting those involved  
Scenes of revolution  
Scenes of your destruction  
We are desolation  
We are isolation  
Feel it comin' again  
Feel don't care at all  
Feel it comin' again  
Feel  
Feel it comin' again  
Feel don't care at all  
Feel it comin' again  
Feel  
Isolation  
Isolation  
Isolation  
Isolation  
(Ooo)  
Isolation
