## Straight Up

## **The Lost Fingers**

Lost in a dream

Don't know which way to go

(Let me tell you that)

You aren't all that you seem

And baby I'm movin' way too slowI've been a fool before Wouldn't like to get my love caught

In the slammin' door

How about some information pleaseStraight up now tell me

Do you really want

To love me forever, oh, oh, oh

Or am I caught in a hit and run

Straight up now tell me

Is it gonna be

You and me together, oh, oh, oh

Or are you just having fun? Time's standing still

Waiting for some small clue

(Let me tell you that)

I keep getting chills

When I think your love is trueI've been a fool before

Wouldn't like to get my love caught

In the slammin' door

How about some information pleaseStraight up now tell me

Do you really want

To love me forever, oh, oh, oh

Or am I caught in a hit and run

Straight up now tell me

Is it gonna be

You and me together, oh, oh, oh

Or are you just having fun? You are so hard to read

You play hide and seek

With your true intentions

If you're only playing games

I'll just have to say

Buh, buh, buh, buh, buh byeDo do you love me

Do do you love me

(Hey baby)

Do do you love me

Do do you love me

(Hey baby)Do do you love me

Do do you love me

(Hey baby)

Do do you love me

Do do you love me (Tell me baby)I've been a fool before Wouldn't like to get my love caught In the slammin' door

Are you more than hot for meOr am I a page in your history book

I don't mean to make demands

But the word and the deed go hand in hand

How about some information please

(Please, please, please)Straight up now tell me

Straight up now tell me

Straight up now tell meTell me

Straight up now tell me

Tell me

Straight up now tell me

Straight up now tell meStraight up now tell me

Do you really want

To love me forever, oh, oh, oh

Or am I caught in a hit and runStraight up now tell me

Is it gonna be you

And me together, oh, oh, oh

Or are you just having fun? Straight up now tell me

Do you really want

To love me forever, oh, oh, oh

Or am I caught in a hit and runStraight up now tell me

Is it gonna be you

And me together, oh, oh, oh

Or are you just having fun?
