

Back To You (feat. Kiiara) [Over Easy Remix]

Ekali

Speak the truth?
When you do they don't want you
?They don't want a thing to do with all that you say?
Til it find its way back to you?
Be the truth?When you do,
They remind you?
Don't forget a thing you do with all that they wait?
Til it find its way back to you
Back to you,
Back to someone
?Someone's gone back to nothing
?I don't know, nah,
It's nothing
?I don't know, oh-oh
?Back to you,
Back to someone?
Someone's gone back to nothing
?I don't know, nah,
It's nothing
?I don't know, oh-oh, yeah,
Yeah Back to you
?Back to you
Speak the truth
?Like nobody ever see you?
They don't want a thing to do with all that you say?
With all that
They wait
?Be the truth?
When you do,
They remind you?
Don't forget a thing you do with all that they
Wait Know that they safe
Back to you,
Back to someone?
Someone's gone back to nothing?
I don't know, nah,
It's nothing?
I don't know, oh-oh?
Back to you,
Back to someone
?Someone's gone back to nothing
?I don't know, nah,

It's nothing
?I don't know, oh-oh, yeah,
Yeah
?Back to you
?Back to you
Back to someone?
Someone's gone back to
Nothing?I don't know, nah, it's nothing
?I don't know,
Oh-oh?
Back to you, back to someone?
Someone's gone back to
Nothing?I don't know, nah,
It's nothing
?I don't know, oh-oh
?Back to nothing
