

Exciter

Kiss

Oh, deep in the night I am waiting
Sent from above, power of love in my hand
And I know what you want, I know what you need
And I know what you feel
Lose all your fears, live out your dreams
I'm the one's gonna make it real
Passion and fire, lust and desire

Exciter

Pleasure and pain, this is my name
Exciter Oh, heaven is yours for the taking
Power of love, sent from above in your hand
And I'll give you more than ever before
So take all you need

When you open your arms, open your eyes
I'm the one who's gonna make you see
Passion and fire, lust and desire

Exciter

Pleasure and pain, whisper my name
Exciter Surrender to me, I'll guarantee
You'll pray that the night never ends
Come play the game, this is my name
Exciter Oh, hot
And I'll show you a world where you've never been

And it's time that you knew

There's no time for waiting, it's time to begin
I'm the one's gonna take you
Passion and fire, lust and desire

Exciter

Pleasure and pain, whisper my name

Exciter

Surrender to me, I'll guarantee
You'll pray that the night never ends
Come play the game, this is my name

Exciter
