Damaged (Friscia & Lamboy Radio Edit)

Danity Kane

Do, Do you got a first aid kit handy? Do, Do you know how to patch up a wound?

Tell me,

are you patient,

understanding?

Cause I might need some time to clear the hold in my heart and I

I've tried every remedy

And nothing seems to work for me

Baby, (baby)

this situation is driving me crazy

And I really wanna be your lady

But the one before you left me so

Damaged, damaged

Damaged, damaged

I thought that I should let you know

That my heart is

Damaged, damaged

So Damaged

And you can blame the one before

So how you gonna fix it, fix it, fix it

How you gonna fix it, fix it, fix it

(Baby I gotta know what you are gonna do?)

How you gonna fix it, fix it, fix it

(Baby I gotta know what you are gonna do?)

How you gonna fix it, fix it, fix it

(Baby I gotta know what you are gonna do?)

Do Do you got a first aid kit handy?

Do Do you know how to patch up a wound?

Tell me,

are you patient,

understanding?

Cause I might need some time to clear the hold in my heart and I

You try to gain my trust

Talking is not enough

Actions speak louder than words

You gotta show me something

My heart is missing some pieces

I need this puzzle put together againCan you fix my h-e-a-r-t

Cause it d-a-m-a-g-e-d

Can you fix my h-e-a-r-t

Tell me are you up for the challenge

Cause my heart is Damaged,

Damaged

I thought that I should let you know

That my heart is

Damaged

So Damaged

And you can blame the one beforeDamaged,

Damaged

I thought that I should let you know

That my heart is

Damaged

So Damaged

And you can blame the one before

So how you gonna fix it, fix it, fix it

How you gonna fix it, fix it, fix it

How you gonna fix it, fix it, fix it

How you gonna fix it, fix it, fix itMy heart is

Damaged,

Damaged,

DamagedMy heart is

Damaged
