Chainsaw

The Band Perry

We scratched our names
In that oak tree
'Cause I loved you
And you loved me

A jagged little heart so the whole town knew it
Carved into the bark with an arrow through it
I came out here to see it one more timeAnd I got my chainsaw
Oh you know it's gotta go, it's such a shame y'all
But I ain't gonna be happy until those names fall
And I'm sittin' on a stumpLove is shady

Love is tragic
It's hard to bury the hatchet
Holdin' a chainsaw
I guess all those years
They don't mean a thing
Now I can't wait
To count those rings

Nothing left of us but dust and splinters

A big pile of wood to keep me warm through the winter
Because I don't have youBut I got my chainsaw
Oh you know it's gotta go, it's such a shame y'all
But I ain't gonna be happy until those names fall
And I'm sittin' on a stumpLove is shady

Love is tragic

It's hard to bury the hatchet

Holdin' a chainsawJust a little old chainsaw

I remember what you said that night

That you would love me for the rest of your life

We wrote forever with a pocketknife

But forever's goin' down tonight'Cause I got my chainsaw

It's gotta go, it's such a shame doll

But I ain't gonna be happy until those names fall

And I'm sittin' on a stumpLove is shady

Love is tragic
It's hard to bury the hatchet
Love is shady
Love is tragic
It's hard to bury the hatchet
Holdin' a chainsaw
Chain chain chainsaw
