

CONFIDENCE (feat. K.Fløy)

X Ambassadors

You make me lose my confidence (Yeah)
You make me lose my confidence, confidence
Bold as a lion
Tony the tiger
But my confidence wavers
When you walk in the room
Don't know what to do
You're so co-o-o-o-o-old to me
So o-o-o-o-o-over me
And, oh-o-o-o-o-oh, baby
You make me lose my confidence
You make me lose my confidence, confidence
You make me lose my confidence
Usually I'm cold, but you got me off balance
Usually I'm loud, but you got me all silent
When you look into my eyes, you cut me down to size
Usually I'm strong, but I'm acting like thirteen
Baby, can you see, can you see how it hurts me?
When you look into my eyes, I feel like I could die
You're so co-o-o-o-o-old to me
So o-o-o-o-o-over me
And, oh-o-o-o-o-oh, baby
You make me lose my confidence
You make me lose my confidence, confidence
You make me lose my confidence
You make me lose my confidence, confidence
So cold to me (You're so cold to me)
So over me (You're so over me)
When you look into my eyes, I lose my disguise
So cold to me (You're so cold to me)
So over me (You're so over me)
When you look into my eyes
You make me lose my confidence
You make me lose my confidence, confidence
You make me lose my confidence (You make me lose my)
You make me lose my confidence, confidence
(You make me lose my confidence, confidence)
