

Destiny

Jim Brickman

What if I never knew
What if I never found you
I'd never have this feeling in my heart
How did this come to be
I don't know how you found me
But from the moment I saw you
Deep inside my heart I knewBaby you're my destiny
You and I were meant to be
With all my heart and soul
I give my love to have and hold
And as far as I can see
You were always meant to be
My destiny
I wanted someone like you
Someone that I could hold on to
And give my love until the end of time
But forever was just a word
Something I'd only heard about
But now you're always there for me
When you say forever I believeBaby you're my destiny
You and I were meant to be
With all my heart and soul
I give my love to have and hold
And as far as I can see
You were always meant to be
My destiny
Maybe all we need
Is just a little faith
'Cause baby I believe
That love will find the way
Hey yeahBaby you're my destiny
You and I were meant to be
With all my heart and soul
I give my love to have and hold
And as I far as I can see
From now until eternity
You were always meant to be
My destiny
You're my destiny
You're my
