

# Cool Change

## Little River Band

If there's one thing  
In my life that's missing  
It's the time that I spend alone  
Sailing on the cool  
And bright clear water Lots of those friendly people  
They're showing me ways to go  
And I never want to  
Lose their inspiration Time for a cool change  
I know that it's time for a cool change  
Now that my life is so prearranged  
I know that it's time for a cool change  
Well, I was born in the sign of water  
And it's there that I feel my best  
The albatross and the whales  
They are my brothers It's kind of a special feeling  
When you're out on the sea alone  
Staring at the full moon like a lover Time for a cool change  
I know that it's time for a cool change  
Now that my life is so prearranged  
I know that it's time for a cool change I've never been romantic  
And sometimes, I don't care  
I know it may sound selfish  
But let me breathe the air Yeah, yeah  
Let me breathe the air  
If there's one thing  
In my life that's missing  
It's the time that I spend alone  
Sailing on the cool  
And bright clear water It's kind of a special feeling  
Out on the sea alone  
Staring at the full moon  
Like a lover Time for a cool change  
I know that it's time for a cool change  
Now that my life is so prearranged  
I know that it's time for a cool change (Time for a cool change)  
It's time, it's time  
It's time, it's time  
For a cool, cool change  
(Time for a cool change)  
I know it's time for a cool change  
(Time for a cool change)  
Now that my life is so prearranged

Well, I know, I know  
I know, I know  
(Time for a cool change)  
It's time for a cool change  
Yes, it is, yes, it is yes, it is  
You know it's time for a cool change
