

# One

## Bee Gees

I feel my heartbeat  
When you run your fingers  
Through my hair, yeah  
I can tell you  
I can feel you by my side  
When you're not there, yeah  
Just as my life fades to darkness  
You made me see the light  
Showed me that my search is over  
I pay the price, I pay the price  
Tell you someday  
Baby, you and I should be one, one  
Through it always  
Brighter than the eye can see, we hide the sun  
The taste of love is sweet  
Like honey on the vine  
Like the wind that feeds the fire  
Two souls become entwined  
Someday, baby you and I should be one, one  
So I'm standing 'round this corner  
Tall enough to touch  
The New York sky, oh yeah  
My love is so blind  
I just cannot hear  
Or see the world go by, oh yeah  
Someone can love so completely  
One kiss should break the sea  
Truth can be stranger than fiction  
This love is real, this love is real  
I tell you someday  
Baby you and I should be one, one  
Through it always  
Brighter than the eye can see, we hide the sun  
Ah, we are one  
We are one  
We are one  
I will follow, count on me  
I'll never let you down, oh yeah  
My devotion, love you like an ocean  
I will surely drown, oh yeah  
You'll be my only possession  
I'll be a slave to you  
We hold the power together  
Just me and you  
Just me and you  
I tell you someday  
Baby, you and I should be one, one  
Through it always  
Brighter than the eye can see, we hide the sun

I tell you someday  
Baby, you and I should be one, one  
You know my life is in your hands  
And every breath you take is planned  
And all this love goes on forever  
Tell you someday  
Baby, you and I should be one, one  
Do it always  
Baby, you and I should be one, one  
Tell you someday  
Baby, you and I should be one, one  
Do it always  
Baby, you and I should be one, one
