

Digging Your Scene

The Blow Monkeys

I just got your message
baby
so sad to see you fade away.
What in the world is this feeling to catch a breath
and leave me reeling?
It'll get you in the end
it's God's revenge.
Oh
I know I should come clean
but I prefer to deceive.
Zveryday I walk alone and I pray that God won't see me.
I know it's wroncJ
I know it's wrong.
Tell me why is it I'm digging your scene
I know I'll die
baby.They put you in a home to fill inbut I wouldn't call that living.
I'm like a boy among men
I'd like a permanent friend.
I'd like to think that I was just myself again.
Tell me why is it I'm digging your scenel know I'll die
baby.Ijust got your message

baby - oh
