## **Dead Souls**

## **Nine Inch Nails**

Someone take these dreams away That point me to another day A duel of personalities A stranger to realityThey keep calling me They keep calling me Keep on calling me They keep calling meWhen figures from the past stand tall And mocking voices ring the hall Imperialistic house of prayer Conquistadors who took their share They keep calling me Keep on calling me They keep calling me Keep on calling meCalling me, calling me [x2] They keep calling me Keep on calling me They keep calling me Keep on calling me
