

# What Happened To Perfect

Lukas Graham

I can see it in your eyes as I'm stumbling home  
You're living with a man that you no longer know  
You forgot to smile, as I passed you by  
Now we're sitting down for dinner we got nothing to say  
It's like I am watching you slowly slipping away from me  
From me  
Remember when I used to make you laugh?  
And every joke was better than the last?  
Tell me how to bring you back to this  
Maybe I just need to reminice, and work it out  
What happened to perfect?  
What happened to us?  
We used to be worth it  
We never gave up  
It wasn't on purpose  
But hurts like it was  
Nobody deserves this  
What happened to perfect?  
If you left me baby where would you go?  
I can't imagine you ever being alone  
I am a jealous man,  
But I'll try to understand  
So many things to say, I don't know where to start  
I can't pick up the pieces of a crumbling heart  
So true, so true  
Remember when I used to make you laugh?  
And every joke was better than the last?  
Tell me how to bring you back to this  
Maybe I just need to reminice, and work it out  
What happened to perfect?  
What happened to us?  
We used to be worth it  
We never gave up  
It wasn't on purpose  
But hurts like it was  
Nobody deserves this  
What happened to perfect?  
What happened to perfect?  
What's under the surface?  
It used to be love  
Would you call if you heard this?  
Would you know it was us?  
It wasn't on purpose  
But hurts like it was  
Nobody deserves this  
What happened to perfect?  
Nobody deserves this  
I can see it in your eyes as I'm stumbling home  
You're living with a man you no longer know

You forgot to smile
